Race Information

- **REGISTRATION**

Registration and transition opens at 06:00 am. The swimming pool will be open from 06:30 am for warm-up and you will be asked to leave the pool to prepare the start. There will be a race briefing before the start. All athletes must check in at the registration for body marking and race-giveaway pickup. For non-members that have registered online, locate the registration desk at the transition area, to collect chip and body mark your race number. Rental chips require a Qatar ID or a monetary deposit of QAR500 to ensure that the chip is returned immediately after the race – No Exceptions.

- **TRANSITION**

After registration, please proceed to the transition area, please note that this area is **strictly accessible by participants only**. Parents can assist children to prepare but we ask them to allow them to be independent during the race. Please do not leave excess bags in transition. Please be careful of other competitors who are racing if you are setting up or collecting things in transition.

- **STARTING**

The race will proceed by category as shown in the race timeline page. Once one category has left the pool will the next will be started. Be on time – latecomers who miss their wave will not be allowed to race. Mini-kids will start once others have finished.

- **DRESS CODE**

A vest or sleeved top and running/cycling shorts should be worn for the run and bike sections. Alternatively, trisuits can be worn and are recommended. You must not run or cycle wearing only a swimsuit: chest and upper leg must be covered. There are no changing facilities provided in transition. Nudity is not permitted in the transition area. Failure to adhere to dress code can result in disqualification.

- **MARSHALLS** Please adhere to directions from race officials (wearing fluorescent yellow bibs). They are there to ensure a safe and fair race.

- **RELAY HANDOVER** (when applicable) Teams use one timing chip for the race which is swapped in transition. It may not be swapped outside the designated handover area.

Course Information: Swimming

- The pool swim follows a simple system where you swim one length of each lane of the pool; turning and swimming under the lane ropes at each end of the pool until you reach the exit (see illustration).
- On completion, exit the water and make your way to the transition area out the door
- Your time starts when your chip crosses the timing mat:

Stay clear of the mats until ready to start to avoid timing errors

Remember to wear your chip on your left ankle

- Only athletes are allowed poolside: parents and spectators are requested to watch from the bleacher section

Rolling Swim Start

Race numbers are assigned based on previous swim times. Participants without historic race times start after the seeded swimmers.

The race is chip timed: starting when you step over the timing loop before diving/jumping into the water and finishing when you cross the finish line.

Care should be taken to ensure that an **audible beep is heard to ensure that your start time is recorded**. We recommend that you test your chip BEFORE the race. This can be done at the finish line – pass over it and listen for the ‘beep’.

- Athletes enter the pool area 10-15 before their start time. Line up at the side of the pool and **order yourselves based on race numbers**.
- **The starter will call the athletes forward and will start them at 10 second intervals.**
- **Every 10 seconds, the start marshal lets next participant cross the timing mat. This records the start of your race. Jump or dive into pool to start race.**
- **Swimmers cross another timing mat on exiting pool to record their swim time**

IMPORTANT

IT IS IMPORTANT THAT YOU ENTER THE POOL IN ORDER OF RACE NUMBER. THIS ALLOWS TIMING MARSHALS TO MAKE CORRECTIONS TO SWIM START TIMES IN THE EVENT OF THE START BEING INCORRECTLY RECORDED (E.G. JUMPING OVER THE TIMING LINE OR GETTING TOO CLOSE TO IT WHILE LINING UP)

Course Information: Transition

Course Information: Bike Course

Cut the corner at the first two roundabouts
SLOW DOWN & KEEP RIGHT & AVOID OVERTAKING
Obey marshals to avoid collisions

Course Information: Bike Course

First fasten your helmet before removing your bicycle from the racking. Do not mount your bike until you reach the bike mount line situated on the road; beware of time penalties for getting on your bike too early.

After leaving transition, turn left and follow the road past Ceremonial Court, Multaqa Student Centre and Oxygen Park

There are U-Turns at 1.5KM for youngest age categories doing a 3km bike and at 2.5km for everyone else

There are several large speed bumps which need to be ridden carefully. There are three roundabouts. The first two will be 'corner cut' and therefore cyclists must keep right and avoid overtaking in this section. The 3rd roundabout is a straight road (2nd exit).

On return to the start of the lap there is another U-turn loop for those completing more than one lap. A timing point records your lap count for results but you are responsible for counting and completing the correct number of laps

After completing your laps, dismount at the dismount line and walk/run back into transition. Helmets should be unfastened only when your bike is racked.

During the bike leg, participants should not draft another cyclist. Leave a 10 meter unless overtaking. Complete the pass within 20 seconds or drop back Always overtake on the left.

Kids 1: Turn At the “Smiley Face”

Children racing in the kids 1 complete a shorter 3km Bike Loop. Parents, please attach to the bike marker and explain the Smiley Face Turnaround point to your child.

The marker needs to be clearly visible to race marshals, so they know to turn back the kids at the correct turn.

The smiley bike marker is provided at registration and is fixed to the handlebars – facing forward – as shown.

Explain to your child to look out for the smiley face sign. The marshal will tell them when to turn.

We don't want to penalise kids but in fairness to those who complete the full course, those who turn back earlier than the Smiley Face sign will not be eligible for podium prizes.

Run Course Information

Category	Laps	Distance
Kids 1 (7-9)	1	1.25 km
Kids 2 (10-11)	1	1.25 km
Kids Relay	1	1.25 km
Kids 3 & Juniors	2	2.5 km
Super Sprint	2	2.5 km
Sprint & Relay	4	5 km

The run course crosses the tram-way. Exit transition from the opposite end from bike entry, make a U-Turn through the car park to join the run loop. Follow the road up the hill and turn left until the Turn-around point. BE CAREFUL TO ALLOW FASTER RUNNERS ROOM TO PASS. Passing through the finish completes one lap.

Minikids Race Specifics

- The Event will conclude with the Mini-Kids (3-6) Triathlon with a swim of 50m in the pool, transitioning to a 100m bike, followed by a run to the finish line of 100m. **If your child cannot swim the full 50m, they can enter the pool further down to ensure they are safe.**
- The race will start at approximately 08:20 am
- Mini-Kids will cross the finish line and collect an Education City Triathlon finisher medal.
- This is a fun, non-competitive event...we are looking for lots of smiles and hopefully no tears...we hope this will inspire the next generation of athletes, who are, of course, already inspired by their mum, dad and older sibling triathletes.
- Parents are requested to assist in the facilitation of this event.

Post Race Information

MEDALS

Every finisher is awarded a medal as recognition of achievement.

POST RACE REFRESHMENTS - Post race snacks of bananas and a muffin are available to all participants, please collect your post race snack near the finish line

AWARDS CEREMONY
